

TRANSFER AND ENTREPRENEUR CENTRE

Financing and funding

For the big step into the foundation, it also needs the necessary capital. Here are a few selected funding programs of the state and the federal government. In a consultation with one of our start-up consultants, we can jointly examine which form of financing applied to your project.

ego.-START

With the support of the European Social Fund (ESF) the state of Saxony-Anhalt grants donations for individual qualification measures of business start-ups and secures a livelihood for highly innovative projects.

The aim of the funding is to establish company founders and young companies sustainably and to create new jobs.

ego.-Gründungstransfer

The state of Saxony-Anhalt, promotes with the support of the European Regional Development Fund (ERDF) innovative start-up projects at universities.

The aim is to encourage potential founders in the preliminary phase of the foundation in the further development of their business idea to start a business and to establish a culture of independence and entrepreneurial thinking.

ego.-INKUBATOR

The state of Saxony-Anhalt, promotes with the support of the European Regional Development Fund (ERDF) universities in setting up incubators and supplementing existing incubators.

The aim is to enable the development and testing of innovative business ideas in the pre-start-up phase, thus increasing the number and quality of innovative, technology-oriented and knowledge-based start-ups from universities.
