2021

Hannover Messe (12.-16.04.2021) ACHEMA Frankfurt/Main (14.-18.06.2021)

The fairs presented represent a selection lost, which was developed as part of the joint project "Research for the future", by the participating institutions from Saxony, Saxony-Anhalt and Thuringia and which is based on the profile of the universities and universities of applied sciences of the federal states. A joint participation will happen, when there are enough interested parties from the federal states and if there are enough personnel capacities.

In addition , participation in the following trade fairs would be interesting to us:
