

# TRANSFER AND ENTREPRENEUR CENTRE

## Long night of Science

20.05.2019 -

On May 25 the 14th **Long night of science** takes place from 6pm to midnight.  
The Transfer and Start-up Center (TUGZ) is represented with an information point in the foyer of the Experimental Factory on the topics of founding and MakerLabs.  
In addition, the **founding team TRENUX** presents itself with the folding bicycle trailer.

More information can be found [here](#).
