

TRANSFER AND ENTREPRENEUR CENTRE

Performance Lab

The ego.-Inkubator Performance Lab is a kind of hotbed for innovative ideas in the area of HUMAN PERFORMANCE.

Students and employees of the OVGU and other scientific institutions in Saxony-Anhalt can, for example, realize ideas for the development of new products or services free of charge.

We provide the Performance Lab for this purpose - a test room equipped with comprehensive diagnostic and training equipment to implement a variety of ideas in the fields of sports, health, psychology, neurophysiology, medicine, performing arts and much more

Every participant receives organizational support and start-up consulting in cooperation with the TUGZ of the OVGU

Requirements

In order to use the ego.-incubators the following conditions have to be met:

- Project presentation with targets and timeframes
- Students or academic staff or peers (artists, physicians, Exist scholarship holders, graduates / graduated employees with founding intentions) at a university in the state of Saxony-Anhalt
- No pursuit of economic activity through the user of the incubator

If you have any questions, please contact the supervisor of the respective ego.-incubator or directly contact the TUGZ
